

TPH CENTER OF EXCELLENCE

# FACILITY PARTNER

The Center of Excellence offers the best of both worlds - a fully online learning experience with TPH focused Edmentum instructors and on-site academic leadership that fosters a positive learning environment, individualizes and customizes the learning experience and holds students to a high standard.

## STUDY

Well-rounded, resilient, self-starting... This is the type of student our academic culture looks to produce.

## TRAIN

Our training methodology is built on execution of skills, habits, concepts and details, in an environment that promotes individualized coaching and increased repetitions.

## PLAY

We in TPH believe in a holistic approach, and recognize that our greatest responsibility is to prepare our student-athletes for success in the ultimate game: **the game of life.**

### THE CENTER OF EXCELLENCE MODEL

The Center of Excellence model is the perfect fit for aspiring elite student-athletes regardless of their sport.

The Center of Excellence provides an ideal balance academically, athletically and socially. Student-athletes are not forced to choose between chasing their academic and athletic goals.

As the saying goes, “iron sharpens iron”, when driven, goal-oriented student-athletes Study, Train and Play with like-minded individuals, the development process is accelerated.

# WHY FACILITIES PARTNER WITH TPH

TPH is proud to work with several first-class facilities across the nation. We believe our Center of Excellence model offers several benefits to all facilities including:

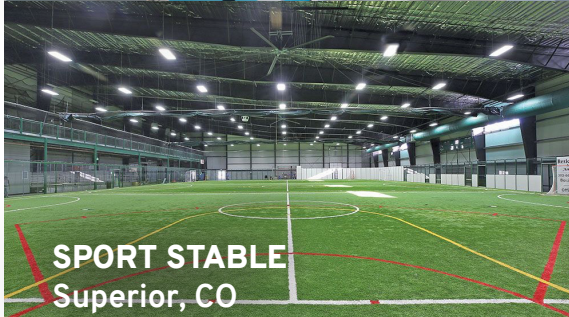

- + Build daytime traffic
- + Create new revenue streams
- + Increase other facility revenue (ex: food service)
- + Supports existing recruiting and retention
- + Services individual student-athletes as well as full teams
